His family are still in Wuhu, whither he will go for them before he proceeds to his new office in Washington, U.S.A. I hear the new Minister Yang offers the first Begretaryship in his Legation to Mr Chun Oiting, the ex Chinese Consul General at Cuba and late of Hongkong, but Mr Chun declines to accept the offer, preferring to semain at the Kaiping Mines as managing director, where he has placed the working system of the company on such a successful and satisfactory basis that a great saving ban been effected and where great results from his managment may be expected in future. Whise players have received at the hands of the police magistrate at Hyde, in Cheshire, a warning not to play at the game known as 'solo whist' in publichouses. Four guests at a hotel in that town being detected by a constable in this heinons act were summoned to answer for their misdeed. The question appeared to turn upon two points: First, was solo whist 'a game of chance?' secondly, was the room in the hotel in which they were discovered a certain open and public place within the mesning of the Act? After the expenditure of much casuistry and legal learning upon these problems the Bench finally found the four whist players guilty and inflicted a fine of half-a crown oach. A case, bowever, has been granted for the Court of Queen's Bench.

Mr. A. W. Pinero's four-act faroical comedy 'The Magistrate' was performed by withis company to a crowded house last night, and another success was scored. Mr Henry Kitts, who made a very favourable impression on the audience in the first and second "nights of the season, as Benjamin Brown in 'My Uncle,' firmly established himself in the good graces of the house last night by the all round excellence of his acting as ... The Chairman said-Gentlemen, the report having been in your hands for some d ya, with your permission we will take it as read. The Directors regret that the report is not more favourable, but that is accounted for by the very few visitors who come to the Hotel during the greater portion of the last six months of the year. The Dividend now proposed will make 8 per cent, for 1892. The new wing was opened on the 1st December last and has been fully occupied since. The old portion of the Hotel has been thoroughly overhauled and should not require any more repairs for a considerable time to come. Shortly after the opening of the new wing we advertised a portion of the old premises to let, but so far have been new leass has been made with the Canadian Pacific Mail Steamship Company f r their office, for a term of 3 years, at \$5,650 last. During the six months a loan was arranged with the Hongkong Land Investment Company, Limited, for \$200,000, to pay off the overdeaft with the Bank, and a further arrangement was made for the loan of \$150,000 more, payable in April next, to pay off the same amount off the Debantures if necessary. The long-apaken-
